

Vietnam War Latino Casualties

1963 -1973

This list of casualties has been compiled from military records, historical documentaion, or personal accounts. Omissions or errors are possible. The identification of these soldiers is based on the accuracy and corroboration of these records. Spelling of names reflect what has officially been recorded. A partial list of sources used for this research includes: U.S. National Archives & Records Administration, Library of Congress, Department of Defense: Prisoner of War/Missing Personnel Office, American Battle Monuments Commission, Center of Military History, State Archives, Military Unit Historical Documents, and Military Unit Rosters.

Casualty Type Codes: KIA - Killed in Action, DNB - Died Non Battle, I - Injured, AC - Accident, DOW - Died of Wounds, FOD- Finding of Death, WIA - Wounded in Action, BNR - Body Not Recovered, BNF - Body Not Found, M - Missing

Citation: This information may only be used for educational purposes and cited as researched by Rogelio C. Rodriguez for Latino Advocates for Education, Inc.
